Flockz Commercial Cleaning Service focuses on providing superior and tailor-fit cleaning solutions for both commercial and residential properties. Our committed team provides high-quality service that is personalized to the client's exact demands. From start to end, we handle every part of the cleaning process, delivering exceptional results every time. In addition, we have our client's supply needs covered, offering a wide choice of cleaning solutions to keep your surroundings pristine. Trust us to offer quality and create a clean environment.

Core competencies:

End-to-End Cleaning Solutions: We take pride in our ability to provide tailored cleaning solutions that

match our clients' specific demands. Our committed team guarantees that every step of the cleaning process is completed with precision and care from start to finish.

Supply Management: In addition to our core cleaning services, we realize the need to keep appropriate cleaning supplies on hand to maintain a clean environment. We provide a wide choice of cleaning items, such as toilet paper, hand soap, and other supplies, to ensure that your facility is properly equipped to maintain cleanliness standards.

Advanced Techniques and Materials: What distinguishes Flockz Commercial Cleaning Service is our commitment to using innovative cleaning procedures and high-quality materials. Whether it's commercial or residential cleaning, we use cutting-edge equipment and environmentally friendly cleaning products to keep your employees and guests safe in all types of environments.

Major Services Offered:

- **Office Cleaning** - Our office cleaning services include sanitizing and disinfecting work areas, workstations, offices, restrooms, cafeterias, lounge areas, and waiting areas.
- **Commercial Office and Event Cleaning** – Commercial Office Cleaning consists of trash removal, cleaning of restroom, lounges, kitchen areas, conference rooms, and any desired area throughout the office. Event Cleaning consists of trash pickup, wiping counters, cleaning restrooms, vacuuming, and mopping. Event clean ups including but not limited to hotels, banquet halls, production studios, conference center, indoor and outdoor festivals and more.
- **Janitorial Services** - Janitorial Cleaning includes but is not limited to restroom maintenance, floor maintenance, office maintenance, dust removal from exterior vents, and throughout all waiting areas.
- **Restaurant Cleaning** – Restaurant cleaning services include but are not limited to cleaning of all fixtures including glass as well as other unique décor, restroom maintenance, floor preservation, cleaning and dusting exterior of vents, cleaning tables, doorknobs, and chairs.
- **Post-Construction Cleaning** – Post-Construction cleaning includes removal of debris, removal of scuff marks on walls, wax floors, scrub windows and, upon inspection, leave the place safe and secure.
- **New Construction Staging Cleaning** - New construction staging cleaning includes pre-cleaning of newly constructed properties, cleaning of real estate listing prior to putting it on the market, and cleaning of staged unit before and after showing it.
- **Commercial Disinfecting and Sanitizing** – Includes surface cleaning and active surface cleaning. Disinfection of offices, restaurants, buildings, or small offices.
